This Audit is completely private, between you and God. Please be brutally honest with yourself and God, (He already knows anyway).

Questions to ponder and Pray over...

What do you think makes this topic uncomfortable for believers to talk about? _____

What material Assets and Income has God blessed you with?(List) _____

What proportion of your assets and income do you give back to God?

1. To the Church - % _____

2. To others/charities/missions - % _____

What do the above percentages reveal about your heart and your view of your material possessions?

Based on the above, what steps do you need to take to continually untangle your heart from your material possessions?

What steps are you going to take to be more radically generous with the material things God has entrusted to you?

Please be in prayer about all of this!
